Certificat en éducation aux adultes à à Certificat en andragogie	Modification	L'UdeM propose d'apporter des modifications à son Certificat en éducation aux adultes, y compris un changement de titre Certificat en andragogie et une réduction du nombre de crédits exigés. Les modifications découlent de recommandations faites par un comité consultatif.	à déterminer	En attendant la réponse de l'UdeM
Certificat en gestion de la sécurité de l'information des entreprises	Nouveau	L'UdeM propose un nouveau certificat de 24 crédits, Certificat en gestion de la sécurité de l'information des entreprises. Pour obtenir le certificat, les étudiants doivent suivre huit cours obligatoires. Le programme vise les professionnels qui veulent élaborer des outils concrets pour améliorer la sécurité de leur entreprise. Ce programme sera offert en ligne et à temps partiel seulement.	à déterminer	En attendant la réponse de l'UdeM
University of New Brunswick				
Master of Science in Environmental Management (UNB, Fredericton & Saint John)	New	UNB is proposing to introduce a new research-based Master of Science in Environmental Management building on the existing Bachelor of Science in Environment and Natural Resources and the course-based Master of Environmental Management programs. The proposed program would consist of four mandatory courses (a 3ch research methods course, a 3ch course in Environmental Management, a 6ch graduate seminar and a 6ch thesis) with other courses potentially chosen in consultation with students' advisory committees.	Stage II	Approved (November 29, 2017)
Bachelor of Arts, Major in Information and Communication Studies to Bachelor of Arts, Major in Communication Studies (UNB, Saint John)	Modification	UNBSJ is proposing to change the name of its program to more accurately reflect program content and outcomes. Students currently enrolled in the program will be given the option of retaining the current program name on graduation.	To be determined	Stage I Assessment in progress
Bachelor of Science in Engineering (Computer Engineering) (UNB, Fredericton)	Termination	UNBF is proposing to terminate its BSc in Engineering (Computer Engineering) due to low enrolments and limited faculty resources.	To be determined	Stage I Assessment in progress
Yorkville University				
Master of Education (multiple programs)	Existing / Modified	The MEd in Adult Education and MEd in Educational Leadership are being assessed as per the Minister's (September 2014 and March 2015) conditions to designation and in accordance with NBDGA policy. Modifications to offer the MEd with four proposed specializations are also to be assessed.	NBDGA	Pending site visit
Bachelor of Business Administration	Existing	The program is being assessed as per the Minister's (Summer 2015) conditions to designation and in accordance with the <i>Policy on the Assessment of Existing Programs Established under the New Brunswick Degree Granting Act</i> . Bachelor of Science in Bioveterinary Sciences	Modification	Dalhousie University is proposing changes to its current Bachelor of Science, Major in Bioveterinary Science as well as the addition of an Honours option. Both the modified Major and the Honours programs would require 4 years/120 credits of study. The modified Major includes a change to one required course and students will now be required to complete a minimum six credits at the 4000-level. The Honours program requires students to complete an Honours Thesis as well as an Animal Research Methods course and maintain a minimum GPA of 3.0.	To be determined	Pending response to Stage I questions
PhD in Agricultural Sciences	New	Program description not available at this time	To be determined	Stage I Assessment in progress
Mount Saint Vincent University				
Teaching English to Speakers of Other Languages (TESOL) - MA in Education (Curriculum Studies) - MEd in Education (Curriculum Studies) <i>[replaces the MEd (Curriculum Studies): TESL]</i> - Diploma, Certificate for Adults - Diploma, Certificate for Children and Youth	Modification	MSVU is proposing an MA and MEd in Curriculum Studies: Teaching English to Speakers of Other Languages (TESOL) to replace its existing MEd (Curriculum Studies): Teaching English as a Second Language (TESL) The MA requires completion of eight courses and a thesis, and the MEd requires completion of either 10 courses or nine courses and a graduate project. MSVU is also proposing two new certificate and two new diploma programs in TESOL: one with a focus on adults and one with a focus on children and youth. Both certificates require the completion of four courses, and both diplomas require the completion of six courses.	Stage I	Approved (January 11, 2018)
Nova Scotia College of Art and Design University

Saint Mary's University				
International Master of Teaching English	New	SMU is proposing a new International Masters in Teaching English. The program is to be offered exclusively to non-native English-speaking ESL (English Second Language) teachers and be available on a full-time basis only. To obtain the degree, students complete 14 in-class courses, including three practicums, and a professional language portfolio.	Stage II	Pending response from SMU
Post-baccalaureate Certificate in Applied Economics	New	SMU is proposing a new Post-Baccalaureate Certificate in Applied Economics to complement its existing Master in Applied Economics. The proposed certificate requires completion of six courses (three required Economics courses, two additional Economics courses and an elective) over two semesters of study (three courses per term) and is intended to provide a pathway into the master's program for those who do not meet that program's entry requirements.	To be determined	Pending response to Stage I questions
Bachelor of Environmental Studies (Honours option)	Modification	Program description not available at this time	To be determined	Pending response to comments
Bachelor of Environmental Studies (co-operative education option)	Modification	Program description not available at this time	To be determined	Pending response to comments

St. Francis Xavier University				
Bachelor of Arts, Women's and Gender Studies (Major, Advanced Major, Joint Major, Joint Advanced Major) to Bachelor of Arts, Women's and Gender Studies (Major, Joint Major, Honours with Subsidiary Subject)	Modification	StFX is proposing to replace its Bachelor of Arts Advanced Major and Joint Advanced Major programs in Women's and Gender Studies (WMGS) with a new Honours with Subsidiary option. To obtain the Honours with Subsidiary, students will be required to complete 48 credits in WMGS courses (including five required courses, a non-credit junior seminar in third year, and a thesis) plus 24 credits in a Subsidiary Subject.	To be determined	Pending response to Stage I questions
Bachelor of Music (<i>multiple programs</i>) Bachelor of Arts in Music (<i>multiple programs</i>) Diploma in Jazz Studies	Modification	StFX is proposing to terminate its Diploma in Jazz Studies and to replace three degree programs [Bachelor of Arts Honours and Advanced Major in Music as well as the BA in Music (Jazz Studies)] – with a new Bachelor of Music. In addition to these changes, the Bachelor of Music with Honours, BA Major in Music, and BA Joint Major in Music will be modified.	To be determined	Pending response to Stage I questions
Bachelor of Arts and Science in Climate and Environment - Major Bachelor of Arts and Science in Climate and Environment - Honours (<i>with co-operative education option</i>)	New	StFX is proposing a new four-year Bachelor of Arts and Science in Climate and Environment intended to provide students with an introduction to the broad spectrum of interdisciplinary studies in these topic areas. To obtain the BASc degree, students complete 24 credits of core courses, 12 credits in Humanities, 72 credits across the two concentration areas: (1) Climate and (2) Environment (48cr in the student's chosen primary area and 24cr in the secondary area) plus 6-12 credits of open electives. To obtain the Honours, a 6cr thesis is required in the student's primary concentration area. A co-op option will be available in later years.	To be determined	Pending response to comments
Bachelor of Science in Nursing (LPN stream)	New	Program description not available at this time	To be determined	Pending receipt of comments
