<b>University of New Brunswick</b>				
PhD in English (UNB, Fredericton & Saint John)	Modification	UNB is proposing to introduce an accelerated stream of its PhD in English for those who complete the new 12-month MA in English. For the accelerated stream, students will complete 12ch fewer courses (a 6ch research methods course and 6ch in academic seminars) than is currently the case for the PhD; the remaining degree requirements remain the same: 9ch academic seminars, three comprehensive exams, 6ch teaching apprenticeship and the thesis. A language requirement is also identified for both streams.	Stage II	Returned (March 21, 2014)
Bachelor of Science, Major / Honours in Biology-Mathematics/Statistics Bachelor of Science, Major / Honours in Biology-Physics (UNB, Fredericton)	Modification	UNBF is proposing to add an Honours option to its BSc in Biology-Mathematics/Statistics and its BSc in Biology-Physics. Students in the Honours programs would complete an additional 12ch of courses at the 3000 or 4000-level (including an optional thesis for the Biology-Mathematics/Statistics program or, for the Biology-Physics program, thesis or advanced research project).	Stage II	Approved with conditions (April 30, 2014)
Certificate in First Nations Governance and Leadership (UNB, Fredericton)	New	UNB is proposing to introduce a 60ch Certificate in First Nations Governance and Leadership. This program has been developed in consultation with First Nations communities, and is intended to prepare current and future First Nations leaders and administrators to lead their communities toward self-determination. Eighty percent of the coursework is completed through synchronous online delivery, and twenty percent is completed on-campus during summer sessions.	Stage II	Pending response to the AAC
Master of Applied Health Services Research (includes termination of DAL partnership) (offered in partnership with UPEI, MUN & SMU)	Modification	The Master of Applied Health Services Research is a two-year interdisciplinary collaborative program offered both on a full and part-time basis through UNB, MUN, and UPEI and is nested within the Atlantic Regional Training Centre (ARTC). It is proposed that SMU join these partners in delivering the MAHSR program. DAL has withdrawn from the partnership.	Stage II	Pending response to the AAC
Modification and name change: Certificate in Data Analysis to Certificate in Data Analytics (UNB, Saint John)	Modification	UNBSJ is proposing to modify the Certificate in Data Analysis to become a Certificate in Data Analytics. To obtain the certificate, students complete 10 courses (34-36ch, depending on which elective options are chosen). The proposed curriculum would include eight required courses, including a 4ch internship, and two electives (which vary from 3-4ch), as opposed to the existing curriculum, which includes three required courses, 15ch of electives chosen from a list, and 9ch of free electives.	To be determined	Stage I Assessment in progress
<b>Yorkville University</b>				
Master of Education, Specializations in Educational Leadership, Inclusive Education, and Adult Education	New	Yorkville University is proposing to add two specializations to its existing Master of Education program: Educational Leadership and Inclusive Education. Each specialization is comprised of ten courses, and students complete a major capstone project as part of the degree. The existing Specialization in Adult Education (designated October 2011) will be assessed as part of the review, as per the Minister's condition to designation.	NBDGA	Pending consideration by the AAC at its next meeting
Master of Arts in Counselling Psychology	Existing	The Master of Arts in Counselling Psychology (MACP) delivers specialized and advanced knowledge in the theory and practice of professional counselling. The program is offered online and consists of 11 required courses (e.g., Theories of Personality, Counselling Methodologies, Cultural Differences in Counselling), three electives from a select list, and a two-term (30 week) practicum.	NBDGA	Designated by the Minister (April 11, 2014)
<b>Nouvelle-Écosse</b>				
<b>Acadia University</b>				
Integrated Bachelor of Music (Music Education) & Bachelor of Education	New	Acadia is proposing to introduce an integrated Bachelor of Music (Music Education) and BEd program that would allow students to complete both degrees over five years, rather than the six years currently required to complete the degrees separately. The structure of the proposed program is similar to that of Acadia's existing BSc Mathematics and Statistics with Education program.	To be determined	Pending response from Acadia
